# INTRODUCTION

The mission of World Taekwondo (WT) is to develop and grow Taekwondo throughout the world, from a grassroots level all the way through to an elite level. WT also strives to provide all with the opportunity to play watch and enjoy the sport regardless of age, gender, religion, ethnicity or ability.

In this regard, the WT Development Program is designed to provide support including resources, education and training to its Continental Unions (CUs), Member National Associations (MNAs) and related stakeholders to ensure growth of Taekwondo at every level, in every country in order to enhance their own capacities and technical expertise. In addition, WT aims to enhance cooperation with CUs, MNAs and any other partnering organizations to implement development programs and increase participation and accessibility of its stakeholders.

The 2020 WT Development Program consists of 8 areas as follows:

1. MNA Equipment Aid
2. MNA Participation Aid
3. MNA Scholarship (funded by Booyoung)
4. MNA Grassroots Development (funded by Booyoung)
5. Continental Union Development Fund
6. Athlete Scholarship (funded by Booyoung)
7. Booyoung Dream Program (athlete training – funded by Booyoung)
8. Women Taekwondo Development

Some programs are open to all MNAs for application while some are open to only selected MNAs. Some programs are managed directly by the pertinent Committees and/or departments.

By the end of 2020, the recipients (CU, MNAs and athletes) must submit the report on the use the fund or resources to be eligible to apply for the 2021 programs.

In accordance with the article 16.2 of WT Statutes, the MNAs that have failed to pay the annual membership fee may result in loss of rights to apply for WT Development Programs until the fee, along with any resulting penalties, is paid.
